Composition in the 21st century. Like the term 20th-century classical music, "21st-century classical music" is defined entirely by the calendar and does not refer to a historical style period in musicâ€”in the sense that Baroque and Romantic doâ€”but rather to all art music produced since the year 2000. Musicologists generally say that we are in the contemporary music periodâ€”a term which ...

by Judith Curry The concern about sea level rise is driven primarily by projections of future sea level rise. Observed sea level rise over the last century has averaged about 8 inches, although local values may be substantially more or less based on local vertical land motion, land use, regional ocean circulations and tidal variations.
