In finance, a day count convention determines how interest accrues over time for a variety of investments, including bonds, notes, loans, mortgages, medium-term notes, swaps, and forward rate agreements (FRAs). This determines the number of days between two coupon payments, thus calculating the amount transferred on payment dates and also the accrued interest for dates between payments.

Using Content Search to find personal data. The first step in responding to a DSR is to find the personal data that is the subject of the DSR. This consists of using Office 365 eDiscovery tools to search for personal data (among all your organizationâ€™s data in Office 365) or going directly to the native application in which the data was created.
