This sketch of the History of Rome to 565 A. D. is primarily intended to meet the needs of introductory college courses in Roman History. However, it is hoped that it may also prove of service as a handbook for students of Roman life and literature in general. It is with the latter in mind that I have added the bibliographical note.

A Brief History of Ancient Greece

A Brief History of Ancient Greece

Greece consists of a peninsula that is very mountainous and many, many small islands. Ancient Greece was approximately the size of modern-day New York or Mississippiâ€”about 50,000 square miles. Mountains cover approximately seventy-five percent of Greece. People generally settled in the valleys and on the small plains.
