

alternative corporal punishment pdf

Corporal punishment or physical punishment is a punishment intended to cause physical pain on a person. It is most often practised on minors, especially in home and school settings. Common methods include spanking or paddling. It has also historically been used on adults, particularly on prisoners and enslaved people. Other common methods include flagellation and caning.

Corporal punishment - Wikipedia

Physical or corporal punishment by a parent or other legal guardian is any act causing deliberate physical pain or discomfort to a minor child in response to some undesired behavior. It typically takes the form of spanking or slapping the child with an open hand or striking with an implement such as a belt, slipper, cane, hairbrush or paddle, and can also include shaking, pinching, forced ...
