

american culture seen from pdf

African-American culture, also known as Black American culture, refers to the contributions of African Americans to the culture of the United States, either as part of or distinct from mainstream American culture. The distinct identity of African-American culture is rooted in the historical experience of the African-American people, including the Middle Passage.

African-American culture - Wikipedia

Latin American culture is the formal or informal expression of the people of Latin America and includes both high culture (literature and high art) and popular culture (music, folk art, and dance) as well as religion and other customary practices.. Definitions of Latin America vary. From a cultural perspective, Latin America generally refers to those parts of the Americas of Spanish and ...
