Imagism was a movement in early 20th-century Anglo-American poetry that favored precision of imagery and clear, sharp language. It has been described as the most influential movement in English poetry since the Pre-Raphaelites. As a poetic style it gave modernism its start in the early 20th century, and is considered to be the first organized modernist literary movement in the English language.

Walt Disney Productions (later The Walt Disney Company) has produced an anthology television series under several different titles since 1954. The original version of the series premiered on ABC on Wednesday, October 27, 1954. The show was broadcast weekly on one of the Big Three television networks until 1990, a 36-year span with only a two-year hiatus in 1984-85.
