Americans are living longer and healthier lives. As we age, we are more likely to develop health problems called geriatric syndromes. They usually have more than one cause and involve many parts of the body. Geriatrics healthcare professionals can play an important role in managing these syndromes.

Thomas Paine Common Sense [1776] Introduction. Perhaps the sentiments contained in the following pages, are not yet sufficiently fashionable to procure them general favor; a long habit of not thinking a thing wrong, gives it a superficial appearance of being right, and raises at first a formidable outcry in defence of custom. But tumult soon subsides.
